

Registration guides for foreign citizens

Dear Applicant,

Thank you for your interest in studying at Azerbaijan Medical University.

Below you will find some important information that may be helpful during application process.

1. The academic year (first semester) starts on the 15th of September for undergraduate levels and on the 1st of October for postgraduate levels. You should submit all your documents personally between the 20th of August and the 10th of September.

1. You have to submit personally the following documents:

- Passport
- Legalized copy of your high school or bachelor diploma (with Apostille)
- Notarized translation of your high school or bachelor diploma and transcript in Azerbaijan language in 2 (two) copies
- IELTS or TOEFL certificate (minimal IELTS 5.0 or TOEFL 40 points for undergraduate level) – for English groups only
- 8 (eight) 3x4 cm size photos on red matte background
- Contacts of parents or guardian
- Certificate from current residency place in Azerbaijan (to be submitted to the State Migration Service of Azerbaijan Republic)

1. To obtain the student visa in consulate of Azerbaijan in your country we can send you an invitation letter. You cannot submit your documents if you have ordinary/tourist Azerbaijani visa. If you need an invitation letter, please apply to the Dean Office for International Students before applying for a student visa to the Azerbaijan Embassy.

2. Legalization of your diploma (with Apostille) is usually carried out by the authorized state body of the country, which issued your education documents along with your transcripts. You should consult a lawyer in your country regarding this issue.

3. Translation and notarization of your documents is available in ASAN State Service or any other Notary Office after you have arrived in Azerbaijan.

4. Duration of undergraduate level education:

- 6 years for MD course (General Medicine faculty)
- 5 years for Dentistry faculty
- 5 years for Prophylactic Healthcare faculty

- 4 years for Pharmacy faculty

1. We also have a postgraduate program (Master's degree and Residency) for International Students. Postgraduate education courses last from 2 to 5 years depending on specialty.

2. All PhD programs in Azerbaijan Medical University last 3 year.

3. Basic tuition fee for each academic year is:

- 3000 US Dollars for preparation course
- 4000 US Dollars for undergraduate level (General Medicine, Dentistry and Pharmacy Faculties)
- 4500 US Dollars for postgraduate (Master's degree) level (Pharmacy Faculty only)
- 5000 US Dollars for postgraduate (Residency) level (all other specialities)
- 5000 US Dollars for all PhD programs

1. After complete submission of documents and full pre-payment for the first academic year, we will help you to get a 1-year student visa. To get the visa you have to pass a medical check-up with according certification (Hepatitis A, B, C and HIV test) issued by the authorized clinic of State Migration Service of Azerbaijan Republic.

2. One year preparation course for undergraduate (MD) levels is mandatory if you choose Azerbaijani or Russian education only.

3. If you graduated from a high school with education in Russian, you can submit your documents directly for the first year (only for Russian language education). For English and Azerbaijani language education, you must pass the preparation course first.

4. We can also provide a hostel for your study period upon your request. The price for one bed in a shared room with a toilet is 500 US Dollars per year.

Sincerely yours,

Tariel M. Ismayilov
